

Shoreline Housing Partnership Community Voice

Do you want to make
a difference?

Have you got lots
of opinions
about your
neighbourhood?

Do you want to have
a say over your
housing service?

Why should I take part?

- We want to meet your needs and those of the community. We need you to tell us your views about the services we provide.
- This is your chance to make suggestions and give us ideas that will actually change services for the better.
- You can tell us your views and opinions about what is important to you and your community.
- Don't worry ...**you don't have to attend meetings** unless you want to.
- You can choose the way you want to be involved and what you would like to be involved in.
- And...if that isn't enough, by joining and taking part in at least two activities a year, you could be in with a chance of winning one of three £100 prize draws a year.

**£100
PRIZE
DRAW**

So can everyone take part?

- Anyone can take part as long as you are;
 - a current Shoreline tenant or leaseholder
 - any home owner, housing association tenant, private tenant and their families - living within one of our neighbourhoods.

What will I have to do?

- Simply choose the services you would like to comment on or be involved in.
- Choose how you would like to be involved - you might want to complete surveys, reply to emails, take part in a discussion or develop the website. There is sure to be a level of involvement that suits you.
- Give us your views and opinions on our services and your ideas and suggestions for future improvements.

Does it take up a lot of my time?

It's up to you. You will be invited to take part in any of the activities you have shown an interest in but you don't have to take part if you don't want to. Where necessary, we will help you with travel and childcare costs if appropriate.

How do I join?

Simply fill in this form and return it to us- you don't even need a stamp!

We look forward to hearing from you soon!
